

Dalyanvillas is accepted as the Premier rental agency in Dalyan, trading for over 8 years and with thousands of happy clients who return year after year.

Behind the website is an automated booking system that creates and tracks your bookings via SMS texts and emails - all you have to do is approve or decline the bookings and update your calendar with your own use or 'outside agency' bookings. This ensures you receive regular and repeat enquiries/bookings. Once you have approved a booking it is a legally binding agreement on your part

You have your own private back office that allows you to add up to 20 pictures and alter details and prices to suit. Please ensure you press update or save when prompted or the changes will not be made.

We deal directly with the clients arranging transfers and answering all their queries, both online and over the phone. We take online and cheque payments at our offices and you receive payments normally within 14 days of our office receiving the booking.

We charge 20% commission on all approved bookings where a deposit is taken (it is NOT a booking until clients pay a deposit) Our standard deposit is £150 for any villa and the final balance is due 8 weeks before departure. Clients receive SMS and email reminders to ensure final balances are made in good time. A damage deposit (refundable £200 or a non refundable damage waiver of £25.00 is taken to ensure against accidental damage up to £500. If any serious damage occurs (it has never happened yet) then your insurance should cover this - please ensure you have FULL 3rd Party Liability within your insurance cover as it is a requirement of letting through Dalyanvillas (If you need advice we can offer discounted prices through Intasure),

To register your property please go to owner registration on the home page <http://www.dalyanvillas.com/owner-registration/> and complete your details in the online form. Remember your user name and password and please respond within 24hrs to all enquiries that will be notified by email and have links to approve/decline a booking enquiry or to offer alternative dates and to send a message to the enquirer (we have the facility to offer late deal discounts and special offers to maximize your bookings.)

When registering you will be sent a step by step help guide but feel free to email us any additional questions.

All constructive feedback is welcomed.
